AWK reik uit na ander landbou unies

Agri Wes-Kaap het die inisiatief geneem om ander landbou unies wat die primêre landbousektor verteenwoordig, te nooi na 'n Landbougespreksforum waar aangeleenthede van gemeenskaplike belang bespreek sal word.

“Die uitdagings in die landbousektor gaan nie net vanself opgelos word nie. Dis belangrik dat almal wat 'n belang daarby het, om 'n tafel sit en saam gesels oor moontlike oplossings”, sê Cornie Swart, President van Agri Wes-Kaap

Die vergadering is geskeduleer vir 7 Februarie in Paarl en die unies wat genooi is, is:

AFASA (African Farmers Association of South Africa)

NAFU (National Agricultural Farmers' Union)

USAAA (United South African Agricultural Association)

AWC reaches out to other agricultural unions

Agri Wes-Cape took the initiative to invite other agricultural unions who represent the primary agricultural sector to a Discussion Forum where issues of common interest will be addressed.

“The challenges in the agricultural sector is not going to be solved on its own. It is important that role players and stakeholders sit around a table to try and find possible solutions”, says Cornie Swart, President of Agri Wes-Cape.

The meeting is scheduled for 7 February in Paarl and the invited unions are:

AFASA (African Farmers Association of South Africa)

NAFU (National Agricultural Farmers' Union)

USAAA (United South African Agricultural Association)
